I wanted to reach out, from Alaska, to extend my condolences to the Debranski family for their loss. Mary Donnan was a good friend and an amazing athlete. She brought sunshine to everyone around her. I am glad we stayed friends after high school and for the time spent together in 2010 during a trip to Atlanta. It was my honor to accompany MD to senior prom as well as many of her favorite concerts growing up. My heart is heavy at the loss of such an amazing woman and friend. My thoughts and prayers are with you and yours.

Megan, Marty, Mike and all of the Debranski's and extended families:
When I heard the news of MD's passing, to say I was in shock would be an understatement. I literally grew up with MD, having her sister Megan as my best friend. We all grew up in the Lakeside neighborhood of Suffolk, where Marty and Mike still reside and my mother as well. I have so many amazing memories of all of us playing together, having sleepovers (oh man, sooo many awesome sleepovers, especially at Ms. Beamon's....), going to parties as we ventured through the high school years at LHS. Learning this news really should make every single one of us be thankful for every day we have with our loved ones because you NEVER know when these days will end. Much love and continued prayers go out to the Debranski's~Kelhart.

Mary Donnan became such a special part of our family. We loved her. She and Sarah toured the world together, spoiled their doggies together and filled out each other's lives. Mary Donnan loved you all so much. She always had a special smile when she talked about her nephew especially. She was so unselfish making the move back to Atlanta and making sure Sarah had a support system around her. We're so grateful for the time they had but are saddened they couldn't have more time to live out the adventurous life they would surely have led. We'll miss being with you for the memorial in Virginia but will be thinking of you. Our family will gather in Atlanta in February to celebrate her life near her birthday. God be with you and give you comfort.

The loss of a cherished loved one is the most devastating experiences a family can face. At times, the loss may seem unbearable. Please know that there are family and friends who care and more importantly Psalm 34:18 tells us that "God is near to those that are broken at heart. He is the God of all comfort. God will comfort you during this difficult time of grief. Our prayers are also with you and your family.

My heart is broken for you. My God wrap his arms around all of you and bring you peace as you cope with the loss of your precious daughter and sister.
