Dick was a great friend and mentor to me. I met him fresh out of the Navy when I was in my early 20's. He was truly a great man. My thoughts and prayers are with his family whom he always talked about. He loved his grandchildren more than life. He will be truly missed.

Dick was a wonderful caring friend. We shared many wonderful/fun adventures from Hunting trips, flying out to Miami Boat show and talking for hours about everything and nothing.

Dick lived for his two grandchildren, Eric and Lucy and would not let anything get in the way of spending quality time with and talking about them. His loss will leave a big empty place in my life and the life of others....he will be very very missed!. My Prayers to his family.
