Willie and family my deepest sympathy to you in the loss of your mother. What a blessing that you had her for all these years. May time ease the pain you are feeling today and may friends and family fill the void that will no doubt be there in her passing. God bless you all.

To The Family I want to express my deepest sympathy for your loss. I also want to share the comfort of John 5:2829 which assures us of the hope that those who have fallen asleep in death will receive a "resurrection" back to life. Life on an earth restored to a beautiful paradise. Psalms 37:11 says "The meek ones themselves will possess the earth an they will indeed find their exquisite delight in the abundance of peace." While we await that wonderful time please find comfort in these promises.
