You have my deepest sympathy. Mrs. Aird sounds like a very loving and talented woman. Death can be so final. It's only natural for us to want to see our loved ones again and spend time with them. Acts 24:15 tells us that by means of the resurrection Jehovah God promises to bring them back. I hope this brings you some comfort

We want to extend our deepest sympathy for the loss of Barbara which is the most devastating experience your family will face. At times, the pain of the loss will feel unbearable. Please know that there are friends who care about you and your family during this difficult time. Most importantly Psalm 34:18 tells us that "God is near to those that are broken at heart. We pray that Jehovah the God of all comfort is with your family during this difficult time of grief.
