Dear Linda, Don, and Dee and Family,
My heartfelt sympathy to you. Lord knows we miss our "Mom" when they pass but realize they now are at total peace in all regards. God blessed us with our "Mom" til he thought it was time to wrap his loving arms around them and take them to their eternal home. We have the memories to treasure forever more. Now she will be your guardian angel looking after you and your family. My thoughts and prayers are with you. What a beautiful video tribute of your Mom's life.

Dear Kurt, Linda and family,

The childress family sends their heart felt sympathy to you all. Losing your mother is not easy. Try to think of something funny she did or said, something she did for others. Always keep her close to your heart
