To Frances Family, So sorry to learn of Frances' passing. I remember her and Phil living next to Jane. Had some fun times then with them. They both were good friends and your children were young. God Bless each one.

I am so sorry to learn of your loss. While it had been years since I saw Frances, I will always cherish the times we had together and our friendship during that time. My thoughts and prayers are with her family. It was my pleasure to have had several of them in our church youth group at Antioch.
