My deepest condolences to Vickie and the entire Worley family. George was friend and a leader. He was a good man who loved his family and talked about his children and grandchildren endlessly. He was an advocate for the property in Virginia who did his best to make it a better place for all of us at Cow Creek. He will be greatly missed.

My heartfelt condolences go out to Vickie and the entire Worley family. George was an amazing man and I am honored to have had the pleasure of getting to know him through our time at Cow Creek. I will never forget how kind he was to me when my parents moved and left the responsibility of our beautiful property in my hands. He made sure I was always included and informed of what was going on. He was a devoted husband, father and grandfather who couldn't talk about his loved ones enough. He will be greatly missed by many and has enriched the lives of all who knew him. I'm sorry for your loss and I'm holding the family in my heart and prayers.

We offer our deepest sympathies to the Worley family. George was a good man. We have only known each other a few short years. It took no time at all to tell his heart was in the right place. His love for family was always being expressed. As the President of our association, he discussed many topics, but he always came back to his wife and kids. The first meeting we ever knew him to miss was when a grand child was being born. We pray the Lord will carry you through this trying time. Christ be with you.
