Our deepest sympathies to family and friends. We are so very sorry for the loss of a wonderful saint. She's with our Lord and sharing his glory in wholeness and everlasting joy. May she always be close as a memory and felt in the sunshine and wind. Her spirit lives on in those of us who knew her and loved her. God bless you with His mercy and comfort.

Jean had a rare blend of kindness and determination. She was gracious and knew what she wanted. That's probably the fruit of her Christian character and nursing experience. We will be happy to make a memorial gift to Connie's scholarship fund. What a thoughtful way to pass along a blessing to others. Just like Jean sharing clippings and plants from her garden with us on several occasions.

She had a way of loving you and knew when you needed it most. Always pointing me to Christ and his love. Every time she looked in my eyes and said "oh honey it will be ok." Your love and legacy lives on Ms Jean, til we meet again!
