Karen, I am so sorry to hear of the passing of your mother. I well remember all the good fresh lemonade drinks she would bring us at work. She will be missed sorely. I think of you often. I still use the recipe book you gifted me one year at Christmas!! I know you have such heartfelt memories to help you through this very difficult time. Take care of yourself.

Much love,
Marilyn

I enjoyed knowing your mom and sister very much for many years. It was always fun playing bridge with her; she always seemed to get great cards and win. Her wit was as sharp as her mind and we all laughed a lot. She was special, I will miss her. Take care of yourselves Karen and Claudia
