I'm so sorry to hear of your father's passing. He was a great man and gave me my first opportunity in life to start a business and for that I will be forever grateful to him for giving me a chance. He played a big part in me becoming the man I am today. The world has lost one of the last few good ones.

To all the Holland family, so sorry to hear about the passing of your father and grandfather. I got to know Cliff really well when he was buying snicker bars from me for his business in town. He was truly a gentleman and I will never forget his kindness. God bless Cliff and may he Rest In Peace. Jim and Wanda Clark. Windsor

Brenda and Family, Just wanted to let you know you are in my thoughts and prayers. It's never easy to let a parent go, but I am sure you have many wonderful memories of him. My Daddy passed away in 1999, and I still think of him most every day.

Take care.
