I am so incredibly sorry for your loss! I didn't know Miss Nita that well except for when she came shopping with Billy in Walmart when I worked there. However, she made a very lasting impression with me through the few conversations we had. She was so genuine, kind and thoughtful. Please accept my deepest and most sincere condolences. To paraphrase 2 Corinthians 5:8....To be absent in the body is to be present with the Lord. May God bless each and every one of you!
