Lendon and Elaine, I am so sorry for your loss. While I understand she was up in age, it is never easy for those of us left behind with all of our treasured memories of our loved ones. I dread this day for myself with my own parents. I pray for the Lord to ease your pain. Rejoice in her passing as she has moved on to that better place where we all hope to go. My thoughts and prayers are with you and your family during this time.

Please accept my sincere sympathy for the loss of your mother and grandmother. The Holy Scriptures say that a person who lives for 80 years is especially strong. (Psalm 90:10) What a privilege that your mother lived just short of 95 years. Take comfort in God's promise to comfort and sustain you as you throw your burdens on him. (Psalm 55:22)
