Dearest Family,

When I came on the department in 1991 Chief Thereault was in command. My heart goes out to the family as the mourn the loss of a wife, mother, grandmother, great-grandmother and friend. Be strong for each other and let GOD help heal your hearts. I only had the pleasure of meeting the Chief but he always had such loving words to say about his family. GOD Bless

We want to extend our deepest sympathy for your loss of Louise which is the most devastating experience your family will face. At times, the pain of your loss will feel unbearable. Please know that there are friends who care about you and your family during this difficult time. Most importantly Psalm 34:18 tells us that "God is near to those that are broken at heart. We pray that Jehovah the God of all comfort is with your family during this difficult time of grief.
