Our hearts are saddened with the loss of Polkey. She was such a remarkable woman. Always a learning experience being in her presence, she was so full of knowledge on many topics. Much love to the WWD family and friends!

I met Polk when I began attending St. Catherine's here in Jacksonville so I only had the pleasure of knowing her a couple of years. She was a unique individual. I immediately identified her as a fellow Virginian after hearing her speak and that was our little bond. I adored her spunk. She was a special person and will be missed by many. Prayers for peace and comfort to friends and family.

From my family to yours you have our deepest sympathy. It's only natural to want to see our loved ones again. It is my hope that you can find comfort in knowing what the Bible says about us by means of the resurrection that we will be able to see them once again. Acts 24:15.

The death of Nancy is the most devastating experience your family will face. At times, the pain of the loss will feel unbearable. Please know that there are friends who care about you and your family during this difficult time. Most importantly Psalm 34:18 tells us that "God is near to those that are broken at heart. We pray that Jehovah the God of all comfort is with your family during this difficult time of grief.
