Trisha (& beloved children, family & friends),

My heart is with you. Words fail at times like this. Take a moment, breathe in and out and just feel how loved and supported you all are in this horrific situation. Your lives will never be the same but he is so strongly tied into the fabrics of who you are that he'll show up in your facial expressions, words, jokes, stories, bravery and dreams. I'm a phone call away Trisha.
