We want to extend our deepest sympathy for your loss of Paula which is the most devastating experience your family will face. At times, the pain of your loss will feel unbearable. Please know that there are friends who care about you and your family during this difficult time. Most importantly Psalm 34:18 tells us that "God is near to those that are broken at heart. We pray that Jehovah the God of all comfort is with your family during this difficult time of grief.

I also lived in the neighborhood, and can remember Paula the best as a fun childhood playmate. Condolences to all. To my friend, Becki Williams, I know the sting must be very hard, after all the many years of close friendship. I believe that God's Love always helps us recover from the hurt and anguish that life hands us. You will be in my thoughts.

Melanie, I never met you but spent many days with your Mom when we both were growing up. We both had the love of horses and would set out on the trail together. We also showed our horses together and sometime in the same class. We had the best childhood with the love of horses. I will always remember your Mother. My thoughts and prayers are with you and your family.

Paula was a free spirit that shared her humor at any given chance. I pray for serenity for her family and peace in her passing.

"Do not be afraid;
do not be discouraged,
for the Lord your God will be with you wherever you go."
